NHMFL General User Policy

Revised January 25, 2016

1. Medical Liability

All visitors, outside/external users, contractors and their sub-contractors, and other non-NHMFL employed personnel who are on-site must understand that medical care expenses must be covered either by their current employer, personal medical coverage or payment at the time of service. All injuries should be reported to the NHMFL Safety Department at 850-644-6955, safety@magnet.fsu.edu or 855-SAFEMAG (after normal business hours).

2. Photography Release for Promotional Purposes

A user of the NHMFL may be photographed and/or filmed for promotional purposes during experiments and grants the National High Magnetic Field Laboratory all rights to the photographs/films. If a user does not agree to be photographed and/or filmed, the user must formally contact the [Users Program Chief of Staff](#) in writing/email.
